11. Whereas, the General Administration Department after consulting the Department of Law, Justice and Parliamentary Affairs and the Social Welfare Department, vide its communication No. GAD/MTG/RBIV/15/2021/02/GAD dated: 08.05.2021 rendered the following opinion: -

***"Returned.** SSB is confronted with a difficulty in a selection process based on merit cum preference basis in deciding as to whether a candidate belonging to a reserved category who secures a position in OM category owing to his superior merit is required to be allocated a district (preference) as per his position in O. M. or as per the preference given by him by treating him to be a reserved category candidate. It has been stated by SSB that higher merit in their case has in a way become demerit for such reserved category candidates who figure in Open Merit by virtue of superior merit and not been able to seek their preference in OM. Had they been selected in reserve category; they would have got their preference and in this way their selection in OM Category is causing prejudice to them.*

*Hon'ble Apex Court in case titled **Yoganand Vishwasrao Patil v. State of Maharashtra**, 2005 (12) SCC 311 has held as under:*

In substance, the question for decision is whether a candidate belonging to reserved category but entitled to be admitted in Post-Graduate course on

his own merit in the open category, can such admission be counted as an admission in reserved category: if not, whether additional seat will have to be provided to give effect to the reservation since the reserved candidate was entitled to be admitted in the category open category on his own merit and not as a result of reservation. It is a different matter that he may have opted for a seat otherwise specified for reserved category. The aforesaid question is no longer res integra and stands concluded by a decision of this Court in Ritesh R. Sah s. Dr. Y.L Yamul and Ors. (1996 (3) S.C.C.253). In this decision, it has been held that: "In view of the legal position enunciated by this Court in the aforesaid cases the conclusion is irresistible that a student who is entitled to be admitted on the basis of merit though belonging to a reserved category cannot be considered to be admitted against seats reserved for reserved category. But at the same time the provisions should be so made that it will not work out to the disadvantage of such candidate and he may not be placed at a more disadvantageous position than the other less meritorious reserved category candidates. The aforesaid objective can be achieved if after finding out the candidates from amongst the reserved category who would otherwise come in the open merit list and then asking their option for admission into the different colleges which have been kept reserved for reserved category and thereafter the cases of less meritorious reserved category candidates should be considered and they be allotted seats in whichever colleges the seats should be available. In other words, while a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission in the colleges where a specified number of seats have been kept reserved for reserved category but while computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate.

*Likewise, Hon'ble Apex Court in case titled **Ritesh R.Sah v. Dr. Y.L. Yamul (1996) 3 SCC 253** has held as under:*

In view of the legal position enunciated by this Court in the aforesaid cases the conclusion is irresistible that a student who is entitled to be admitted on the basis of merit though belonging to a reserved category cannot be considered to be admitted against seats reserved for reserved category. But at the same time the provisions should be so made that it will not work out to the disadvantage of such candidate and he may not be placed at a more

disadvantageous position than the other less meritorious reserved category candidates. The aforesaid objective can be achieved if after finding out the candidates from amongst the reserved category who would otherwise come in the open merit list and then asking their option for admission into the different colleges which have been kept reserved for reserved category and thereafter the cases of less meritorious reserved category candidates should be considered and they be allotted seats in whichever colleges the seats should be available. In other words, while a reserved category candidate entitled to admission on the basis of his merit will have the option of taking admission in the colleges where a specified number of seats have been kept reserved for reserved category but while computing the percentage of reservation he will be deemed to have been admitted as an open category candidate and not as a reserved category candidate.

*In **Sheikh Mohammad Aftal Vs State of Rajasthan**, AIR 2008 Raj 21, Hon'ble Division Bench of Rajasthan High Court has held as under:*

*We state the legal position thus: where a candidate belonging to reserved category gets selected competing with open category candidates on the basis of merit, the selection of such candidate needs to be considered in the general category and cannot be counted against the reserved category since such selection is purely based on merit. However, the constitutional right of such candidate belonging to reserved category is not taken away and such selection of a reserved category candidate on merit in open competition does not put him or her in disadvantageous position than the other less meritorious reserved category candidates who are selected against the quota reserved for that category, **be it a preference of subject or institution or place or to such other right to which he/she may be entitled as if he/she were selected in the reserved category.** In the case of Ritesh R. Sah and Anurag Patel, the Supreme Court has emphasized this position. Obviously, in the matter of admission, the competent authority has to adhere to and abide by the legal position expounded by the Supreme Court in the case of Ritesh R. Sah and Anurag Patel and noticed by us above.*

Furthermore, in the case of Anurag Patel Supreme v UP. Court Public Service Commission-2005 (9) SCC: 742: AIR 2005 SC 1262, the Supreme Court had an occasion to consider its previous decisions in Ritesh R. Sah (AIR 1996 SC 1738) (supra) and State of Bihar V.M. Neethi Chandra 1996 (6) SCC 36 and held thus:

*In the instant case, as noticed earlier, out of 8 petitioners in Writ Petition No. 22753 of 1993, two of them who had secured Ranks 13 and 14 in the merit list, were appointed as Sales Tax Officer-II, whereas the persons who secured Ranks 38, 72 and 97, ranks lower to them, got appointment as Deputy Collectors and the Division Bench of the High Court held that it is a clear injustice to the persons who are more meritorious and directed that **a list of all selected Backward Class candidates shall be prepared separately including those candidates selected in the general category and their appointments to the posts shall be made strictly in accordance with merit as list will be per the select list and preference of a person higher in the select seen first and appointment given accordingly**, while preference of a person lower in the list will be seen only later. We do not think any error or illegality in the direction issued by the Division Bench of the High Court.*

The above quoted judgments should make it convenient for JKSSB to resolve the issue they are confronted with. The reserved category candidates securing merit in OM category cannot be put at a disadvantageous position in comparison to other reserved category candidates who have merit lower than them. JKSSB needs to prepare the selection list considering the ratio laid down in the above stated cases.

The Social Welfare Department has also endorsed the above mentioned opinion of the Law Department. Accordingly, in view of above, I am therefore, directed to request you to take further necessary action in the matter expeditiously”.

12. Whereas, sub-rule 8 of Rule 7 of Jammu and Kashmir Reservation Rules, 2005 notified vide SRO 294 dated 21.10.2005, envisages as under:

"For purposes of services to which Combined Competitive Examination is conducted, the reserved category candidates if selected against open merit vacancies may also be considered for allotment of services allocable to their respective category as per their inter-se-merit/ own preference and the resultant left over vacancies in the services in open merit shall be allotted to those reserved category candidates only, as per merit-cum-preference, against whose vacancies the reserved category candidates qualifying in the open merit are considered”, and;

13. Now, therefore, in view of the above position read with afore cited provisions of J&K Reservation Rules-2005 together with the opinion furnished by the General Administration Department: -

- i. The provisional allocation of districts/cadres, for the post of Accounts Assistant (Panchayat) is hereby notified as **Annexure-"A"** to this notification.
- ii. Any candidate wishing to file objections/representation against the aforementioned allocation of cadres is provided an opportunity to do so through online mode on the mail ID (ssbjk.paa@gmail.com) within 05 days from the date of publication of this notification, in utmost deference to the principles of natural justice laid down by the Hon'ble Supreme Court, notwithstanding that it has been explicitly mentioned in the Advertisement Notification that "the allocation of District Cadre, shall be final and binding and no representation/request for change in this regard shall be entertained, whatsoever."

BY ORDER.
