

# Banking Daily Quiz Blog - September 1

1. Study the following information carefully and answer the questions given below:

If,

P % Q means Point P is 9m east of Point Q

P & Q means Point P is 5m west of Point Q

P \$ \$ Q means Point P is 4m north of Point Q

P###Q means Point P is 7m south of Point Q

A. If N \$ \$ J & K # # M, then how far and in which direction Point M with respect to Point N?

A  $\sqrt{26}$  m, North East

B 6m, South West

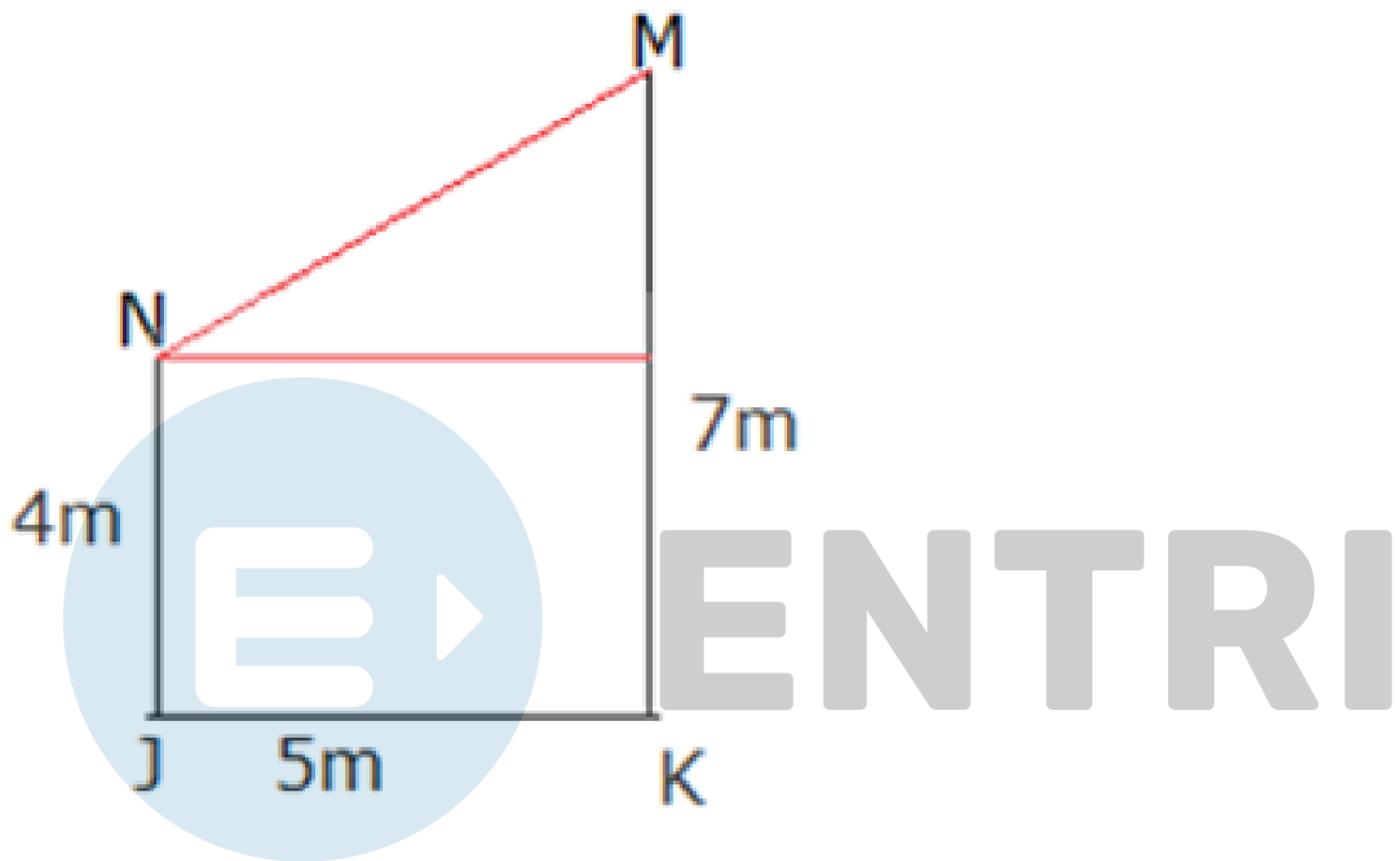

C  $\sqrt{35}$  m, South West

**D  $\sqrt{34}$  m, North East**

E None of these

**Solution**

Answer: (d)

Hence, Required distance will be  $= \sqrt{5^2 + 3^2} = \sqrt{25 + 9} = \sqrt{34} \text{ m}$

**B. If H \$ \$ F % Y # # S, then Point H is in which direction with respect to Point S?**

A East

B South West

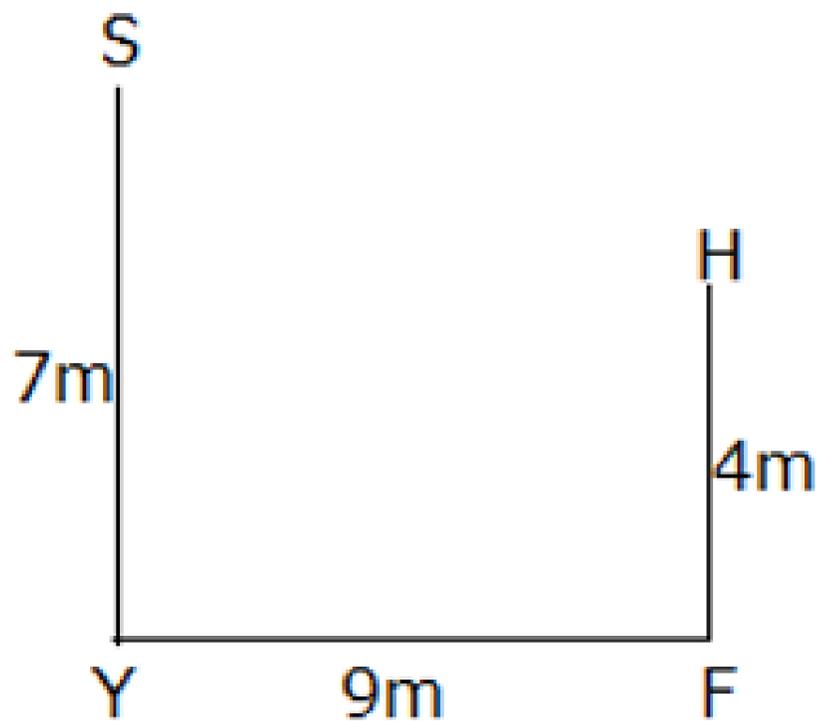

C South East

D North East

E None of these

## Solution

Answer: (c)

c. If L & V \$\$\$ G % T, S \$\$\$ T, then how far and in which direction Point S with respect to Point L?

A 4m, East

B 5m, West

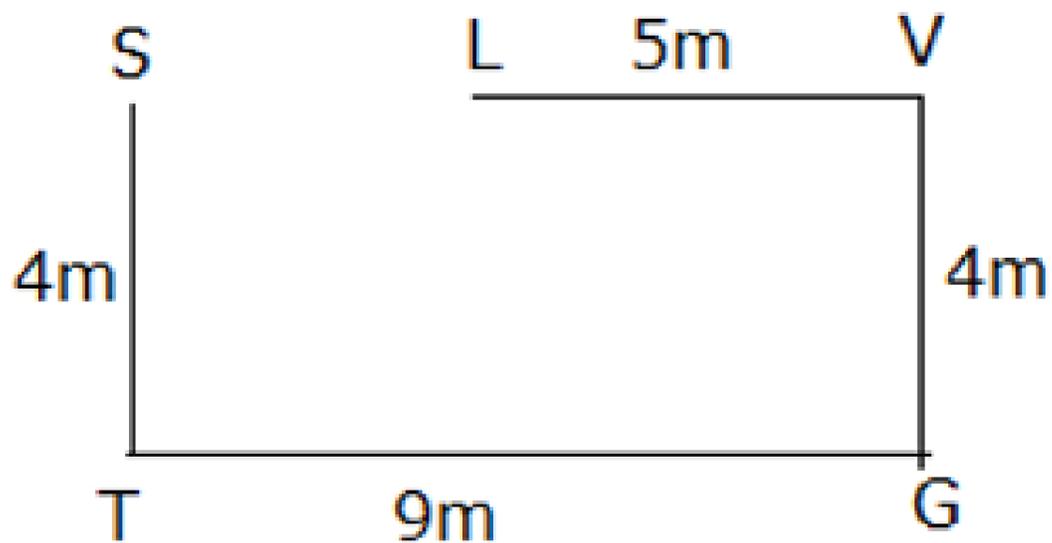

C 5m, East

D 4m, West

E None of these

## Solution

Answer: (d)

D. If  $\overline{RS} \parallel \overline{XV}$  &  $\overline{ML} \perp \overline{LV}$ , then what is the distance between Point L and Point R?

A  $\sqrt{34} m$

B  $\sqrt{35} m$

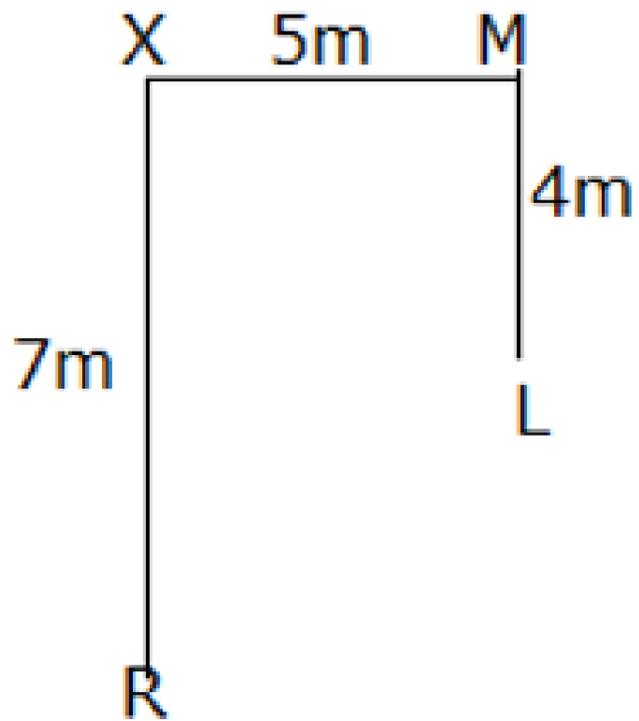

C 6m

D  $\sqrt{29} m$

E None of these

## Solution

Answer: (a)

Hence, Required distance will be  $= \sqrt{5^2 + 3^2} = \sqrt{25 + 9} = \sqrt{34} \text{ m}$

E. If D % N & V \$ \$ R # # P, then how far and in which direction Point P with respect to Point D?

A 5m, North East

B 5m, North West

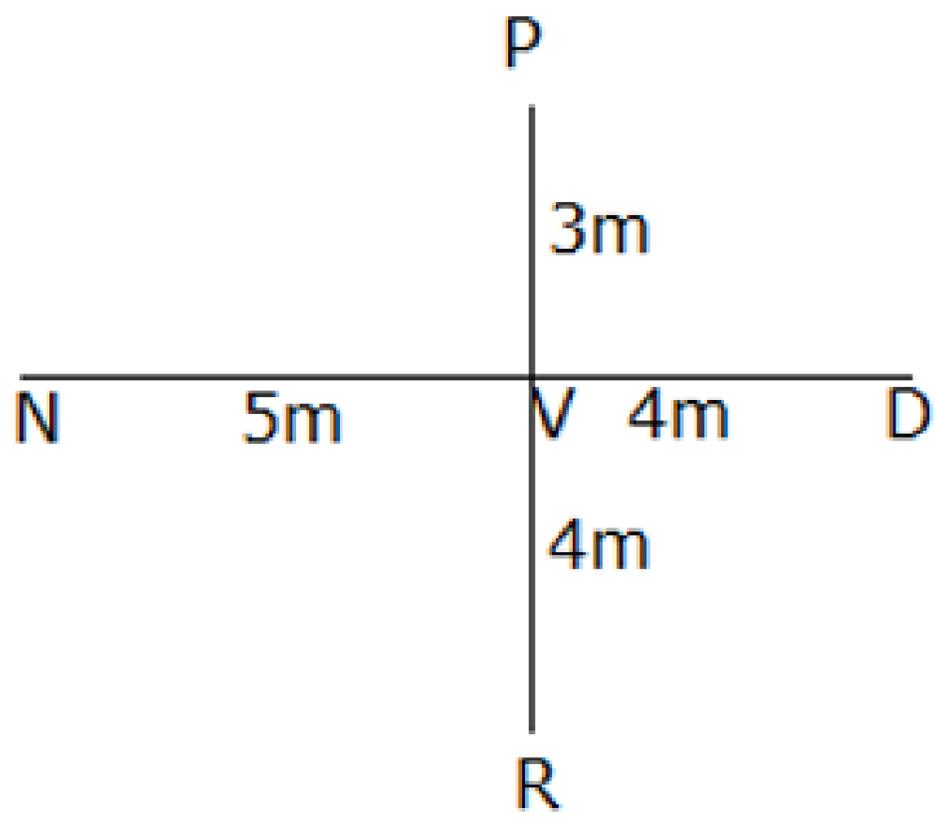

C 6m, South West

D 4m, North West

E None of these

## Solution

Answer: (b)

**2. Read the instruction given below carefully and answer the questions based on it.**

In each question below a statement is followed by two assumptions numbered I and II. An assumption is something supposed or taken for granted. You have to consider the statement and the following assumptions and then decide which of the assumptions is implicit in the statement.

Give answers:

- (a) if only assumption I is implicit.
- (b) if only assumption II is implicit.
- (c) if either assumption I or II is implicit.
- (d) if neither assumption I nor II is implicit.
- (e) if both assumption I and II are implicit.

**A. Statement: Positive social responsibility improves a company's public image and relationship with consumers.**

**Assumptions:**

**I. Publicizing their efforts and letting the general public know about their philanthropy, companies increase their chances of becoming favourable in the eyes of consumers.**

**II. Media visibility is only useful when it sheds a positive light on your organization.**

**A**    **A**

**B**    **B**

**C**    **C**

D

D

E

E

**Solution**

**ENTRI**

Answer: (a)

Only assumption I is implicit, through media their relationship with customer can increase.

Assumption II does not follow, because only makes the statement as invalid.

**B. Statement: Banning single-use plastic products can successfully reduce waste production.**

**Assumptions:**

**I. Our systems are designed to efficiently sort and separate recyclables so that fewer plastic products can be called 'single-use.'**

**II. Good intentions and small-scale efforts may not be enough to protect the environment.**

A

A

B

B

C

C

D

D

E

E

### Solution

Answer: (d)

Neither I nor II is implicit

- C. **Statements: Government has successfully completed its demonetisation drive and the Indian economy has made some major gains.**

**Assumptions:**

**I. Government claimed large sums of black money were kept hidden by tax evaders and demonetisation has helped it uncover the huge amount of unaccounted cash.**

**II. Government get a good amount of tax revenue which can be used by it towards the betterment of society by providing good infrastructure, hospitals, educational institutions, roads and many facilities for poor and needy sections of society.**

A

A

B

B

C

C

D

E

### Solution

Answer: (e)

Both assumption I and II are implicit

**D. Statement: Together wear helmet I believe that our country will be in safety, peace and development.**

**Assumptions:**

**I. Wearing helmets helps us in protecting our eyes from the dust or terrible lights from others vehicles because we don't need to use our hand or fingers to clean it while we are controlling our vehicles.**

**II. Wearing helmets make the head sweat and thus hair loss occurs.**

A

B

C

D

E

### Solution

Answer: (a)

Only assumption I is implicit, wearing helmets will protect their lives while driving.

**E. Statement: Facebook is valuable to create a brand not only for individuals but also businesses at the global level.**

**Assumptions:**

**I. People just start living in this virtual world & spend hours & hours on Facebook.**

**II. Facebook is providing as a great option to connect with the world these days.**

A

B

C

D

E

## Solution

Answer: (b)

Only assumption II is implicit, because it is the platform to connect with the world.
