

DIFFERENT WAYS TO SAY HOW ARE YOU

- How are you doing?
- How's everything?
- How's it going?
- How are things?
- How's life treating you?
- What's new?
- How have you been?
- How's your day?
- What's up?
- How's your day been?
- How are you feeling?

- How's your health?
- How's your day treating you?
- How's your week been so far?
- How's your family?
- How's work/school?
- How's your day shaping up?
- How's your mood?
- How are things on your end?
- How's your side of the world?
- What's happening with you?
- What's going on in your world?

- How's your day progressing?
- How's your state of mind?
- How's everything on your plate?
- How's your energy level?
- How's your spirit today?
- How's the day treating you so far?
- How's your outlook?
- How are you holding up?
- How's your state of being?
- How are you managing?
- How's your journey?

- How's your existence?
- How are things unfolding for you?
- How's life on your side?
- How are things progressing for you?
- How are you faring?
- How's your balance?
- How are you finding things?
- How's your emotional state?
- How's your mental state?
- How's your physical state?
- How are you coping?

- How's your response to life?
- How's your well-being?
- How's your inner world?
- How's your outer world?
- How's your reality?
- How's your perception of life?

THANK YOU
