OUR MENTOR

JOUHAR ALI

(Founder - Trading Journey)

Mohammed Jouhar Ali has mentored over 1000+ students and has been inspiring young and aspiring traders through his institute Trading Journey for the past 6 years.

He realized the importance of financial freedom during his college days which inspired him to start a career in the stock market. After graduating from engineering, Jouhar started his journey to become a professional trader and started mentoring people who had interest in training.

While training people about the stock market, Jouhar realized the need for proper mentorship and lack of knowledge people had in the stock market. Jouhar loves to propagate the idea of trading in the stock market and how it can lead to the financial and strategic growth of a person.

TESTIMONIALS:

“

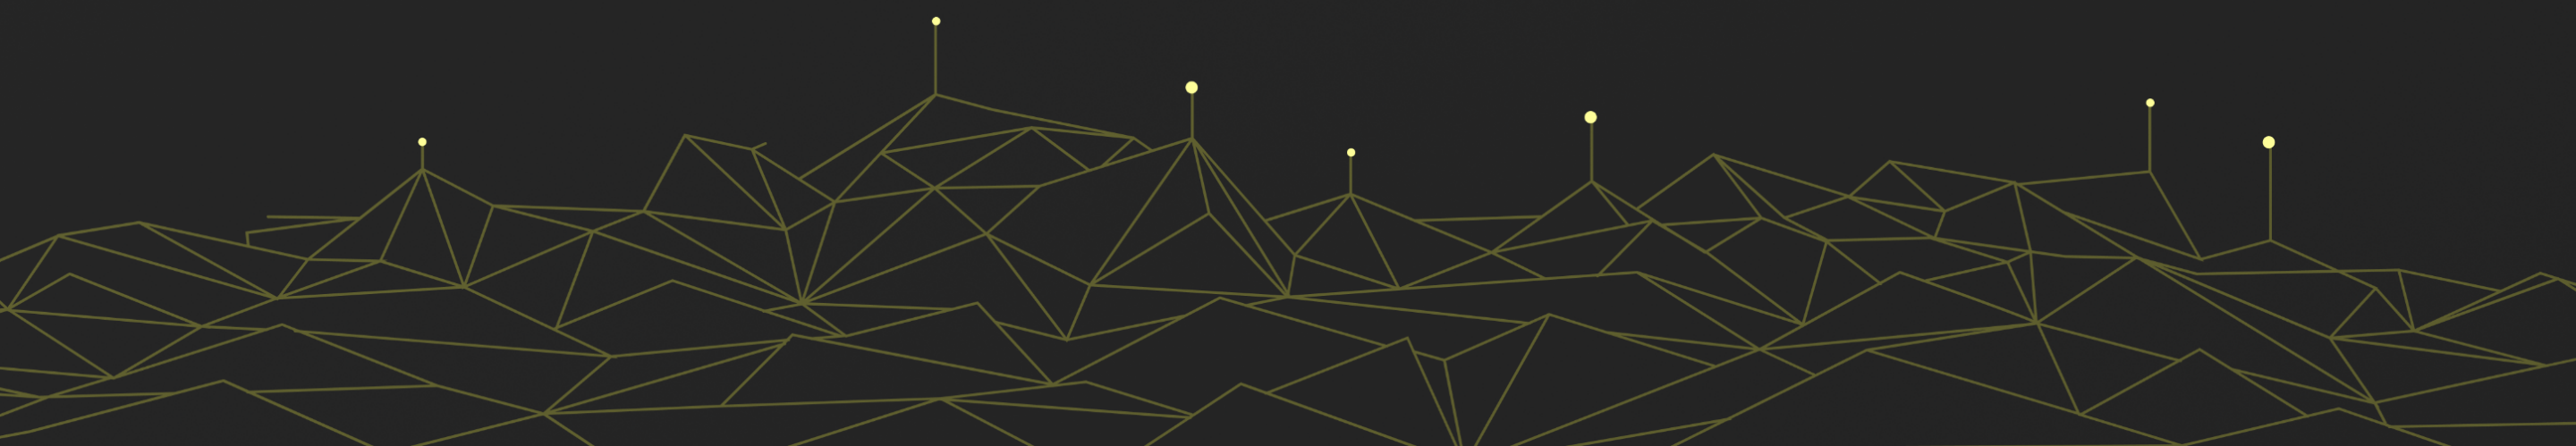

**ASHA:**

Hai, I am Asha. I came to hear about Entri App from Facebook... I joined the stock market course and i am really happy to say that it is an excellent class of Rajesh sir. Classes are very simple to understand. I shall recommend this course to those who are interested to do trade in the stock market...

“

**ANANDU:**

Hi, Myself Anandu. I have been interested in stock trading for a long time. But I was not confident to do it without proper knowledge. Rajesh Sir's classes in Entri App helped me to enter the world of trading. The classes were very simple to understand and I would surely recommend it to my fellow friends.

ABOUT ENTRI APP

Entri is India's fastest growing local language learning app for job skills with over 9M users. However what makes Entri truly unique is its devoted focus on the future generation.

Entri coaches aspirants on a variety of upskill courses from all backgrounds.
