Factors Affecting the IBPS Clerk Cut Off 2024:

Number of vacancies: Higher number of vacancies usually lead to lower cut-offs, so the number of vacancies is a good reason.

Difficulty level of the exam: If the exam is difficult, the cut-off is low. Practice from previous years' question papers and mock tests to get an idea of the expected difficulty level.

Number of applicants: More applicants usually lead to higher competition and higher cut-offs. Start registering early and preparing thoroughly.

Category of the candidate: Different categories (General, OBC, SC, ST, etc.) have different cut-offs. Check out previous years' cut-offs for your category to set realistic targets.
