Entri

Entri App is a vernacular learning platform designed to assist individuals in securing their dream jobs by equipping them with the necessary skills and expert guidance. As one of India's fastest-growing e-learning platforms, it has garnered over 14 million users across 6 languages nationwide. Entri provides a diverse range of courses tailored to help students prepare for government exams and enhance their skills for a multitude of career prospects.

BAFC

Entri's flagship program, the Business Accounting & Finance Certification Programme, is tailored for commerce graduates aiming to excel in their accounting or finance careers. This program serves as a vital link between their academic background and practical application in professional settings.

Partnering with the esteemed Big 4 firm, PwC, Entri offers the esteemed "PwC Tax Practical Programme" certification along with this course. This certification distinguishes individuals as experts in the field of taxation within India. Such collaboration significantly boosts learners' prospects in the fiercely competitive job market, enhancing their employability.

Covering a wide spectrum from accounting fundamentals to areas like IDT, DT, Corporate law, Labour law, Business structure, banking, and software applications such as Tally and Zoho Books, the course offers a real-time experience. To provide hands-on practice, mock websites simulating government portals like GST, ITR, and ESI have been developed.

The 'Business Accounting & Finance Certification Programme' transcends conventional academic learning by delivering comprehensive training and mentorship. It empowers students with the essential skills and knowledge required to thrive in the dynamic realm of accounting and finance. This invaluable opportunity enables students to apply their newfound expertise in practical scenarios, thereby enriching their comprehension and employability prospects.
