

AI-Powered Business Accounting & Finance Certification (AI- Powered BAFC)

About entri

Entri App is a regional language-based learning platform aimed at helping individuals achieve their career goals by providing essential skills and expert mentorship. Recognized as one of India's rapidly expanding e-learning platforms, Entri has attracted more than 14 million users and supports learning in six different languages. The platform offers a wide variety of courses focused on government exam preparation and skill development, catering to various career opportunities.

AI- Powered BAFC

AI-Powered Business Accounting & Finance Certification (BAFC)

Entri's flagship program, the AI-Powered Business Accounting & Finance Certification (BAFC), is designed for commerce graduates aspiring to excel in modern accounting and finance careers. The program bridges the gap between theoretical knowledge and industry-relevant practical skills. In collaboration with the renowned Big 4 firm PwC, the course includes the prestigious PwC Tax Professional Program certification, equipping learners with specialized expertise in Indian taxation. This powerful partnership significantly enhances participants' credibility and job prospects in today's competitive market.

The program integrates advanced tools and technologies such as Power BI for data visualization, Zoho Books for cloud-based accounting, and Microsoft Excel for financial modeling and analysis, ensuring students gain hands-on experience with industry-relevant platforms. In addition, the curriculum covers core areas like Indirect and Direct Taxation (IDT & DT), Corporate Law, Labour Law, Banking, Business Structures, and Tally ERP.

Real-time simulations through mock government portals (GST, ITR, ESI) further prepare learners for practical challenges.

The BAFC course goes beyond traditional learning by offering AI-driven insights, skill-based training, and personalized mentorship, empowering students to thrive in the evolving world of finance and accounting.

Course Features

PwC Certified Tax Professional Program

Earn a prestigious certification jointly offered with PwC, validating your expertise in Indian taxation and boosting your credibility in the finance domain.

Simulated Government Portals for Real-World Experience

Engage with mock websites that replicate GST, ITR, and ESI portals, providing hands-on practice in filing and compliance processes.

Learn from Industry Experts & Qualified CA Faculty

Gain insights from experienced professionals and certified Chartered Accountants with real-time industry exposure.

Live Interactive Sessions by Practicing CAs

Attend live classes led by practicing Chartered Accountants, offering practical knowledge, case studies, and industry-relevant examples.

Master Tally Prime for Accounting Operations

Build a strong foundation in computerized accounting by learning Tally Prime, a key tool used across businesses.

Power BI for Financial Data Visualization

Learn how to use Power BI to analyze and visualize financial data for better reporting and strategic decision-making.

Zoho Books for Cloud-Based Accounting

Understand how to manage finances and automate business workflows using Zoho Books, a modern cloud accounting tool.

Microsoft Excel for Financial Analysis

Develop advanced Excel skills for budgeting, financial modeling, and data management, essential in any accounting or finance role.

Course Features

Computerized Accounting Assignments & Assessments

Apply your learning through practical assignments and assessments, simulating real-world accounting tasks.

Module-Wise Exams

Evaluate your understanding after each module with structured exams to track your learning and progress.

Live Doubt-Clearing Sessions

Resolve doubts instantly in dedicated live sessions, ensuring complete conceptual clarity.

Mentorship Support

Receive continuous mentorship support to guide you through the course and career planning.

Soft Skill & Interview Readiness Training

Enhance your communication, presentation, and interview skills to stand out in job interviews.

Placement Assistance

Get connected with hiring partners and receive support in securing job opportunities in the accounting and finance sector.

Course Completion Certification

Earn an industry-recognized certificate on successful completion, demonstrating your capabilities to potential employers.

Microsoft Office specialist certified
Certified Tally faculty with 5 years of experience in teaching computerized accounting

The Entri Way Best Practices

- Dedicate at least 9 hours per week for learning and practice.
- Join live sessions on time, stay until the end, and take notes.
- Complete any pending live and recorded sessions before the start of each new week, as future live classes will be automatically locked until you catch up. This feature ensures all learners progress together.
- Watch all assigned recorded sessions within the same week.
- Complete midweek tasks and module-end assignments on time.
- Set up a dedicated, distraction-free workspace for study and practice.
- It is compulsory to have a laptop for completing the tally.

Deliverables

140 Hours of Live & Recorded Classes

Students gain access to a blend of live interactive classes and recorded sessions directly through the app, enabling flexible and self-paced learning to suit individual schedules.

Dedicated Mentorship Support

Each batch is assigned a dedicated mentor who offers personalized academic support, doubt resolution, and career guidance throughout the course journey.

Comprehensive Placement Assistance

After completing the course, learners receive end-to-end placement support, helping them identify and secure job opportunities aligned with their career goals.

Mock Interview Training

Students can participate in both subject-specific and HR mock interviews, designed to sharpen their interview skills and increase confidence for real-world job interviews.

Module-Wise and Final Assessments

Continuous evaluation through module-end tests and a final assessment ensures thorough understanding and retention of the course material.

Practical Learning via Simulated Portals

Real-time learning is reinforced with practical tasks and assessments conducted through mock portals. These exercises, supervised by expert mentors, prepare students for actual industry scenarios.

Certifications

Entri Course Completion Certificate

Awarded upon successful completion of the BAFC final examination and submission of all required practical assignments.

NSDC (National Skill Development Corporation) Certificate

Granted after completing the BAFC program and earning the Entri Course Completion Certificate, adding national recognition to your credentials.
