GCC
ACCOUNTING & TAXATION

CONTENTS

Entri

Entri is dedicated to empowering learners with industry-relevant skills and knowledge. Our platform offers a wide range of test prep and upskilling courses designed to enhance career prospects and foster personal growth. By collaborating with top industry experts and institutions, we ensure our courses provide practical and in-depth learning experiences.

GCC Accounting & Taxation Course

In this comprehensive and immersive course, you will embark on a journey to master the fundamentals of accounting and taxation in the Gulf Cooperation Council (GCC) region. You will gain hands-on experience with major accounting software such as Tally, Zoho Books, and QuickBooks. Our expert instructors, with years of experience in the field, will guide you through a structured and engaging curriculum, covering the essential principles and practices of GCC taxation.

The Course is Intended for

- Ideal for accounting and finance professionals, business owners, and students seeking to master GCC accounting and taxation.

- Suitable for anyone looking to enhance their knowledge and skills in GCC accounting and taxation, including auditors, tax consultants, and financial analysts.

- Perfect for individuals seeking to gain a comprehensive understanding of GCC accounting and taxation, including career changers and SME owners.

- Designed for accounting and finance enthusiasts, business professionals, and students wanting to stay updated with the latest GCC accounting and taxation regulations.

- Beneficial for those seeking to advance their careers or transition into accounting and finance roles, including bookkeepers, accountants, and financial professionals.

Course
Benefits

The Entri Way
Best Practices

- Dedicate at least 12 hours per week for learning and practice.

- Join live sessions on time, stay until the end, and take notes.

- Complete any pending live and recorded sessions before the start of each new week, as future live classes will be automatically locked until you catch up. This feature ensures all learners progress together.

- Watch all assigned recorded sessions within the same week.

- Complete midweek tasks and module-end assignments on time.

- Set up a dedicated, distraction-free workspace for study and practice.

- It is compulsory to have a laptop for completing tally and accounting software

Deliverables

- **4-Month Course Duration:**
  Comprehensive training spread over three months to ensure thorough understanding and mastery.

- **60 Hours of Sessions (Both Recorded and Live):**
  Access to extensive learning materials, including live interactive sessions and recorded lectures.

- **Mentorship Support:**
  Assistance from mentors to help you navigate course content and practical applications.

- **Access to Practical Portals for Hands-On Experience:**
  Practice on simulated UAE VAT websites to develop real-world skills.

Certifications

- **Entri Course Completion Certificate :**
  Awarded upon successfully passing the final
  examination and completing the practical assignments.

- **NSDC Certificate :** Earned after successfully completing
  the final examination and receiving the course completion
  certificate.
