

BUSINESS ACCOUNTING & FINANCE CERTIFICATION INTERNSHIP PROGRAM

About Entri

Entri App is a vernacular learning platform that aims at helping people land their dream job by empowering them with the right skill set & expert guidance at an affordable cost. **Being India's one of the fastest-growing e-learning platforms attracting over 1 crore students, Entri offers a wide range of courses to help students prepare for government exams and upskill themselves for various career opportunities.**

About The Course

This course is mainly focused on practical-oriented learning, designed to provide students with real-time industry experience and hands-on knowledge. After joining the course, students will receive a physical practical kit to support their learning and practice activities.

The program covers the three major industry sectors Trading, Manufacturing, and Service — with practical exposure using ERP tools such as Tally, Zoho, and other accounting software. The training methodology is designed to help students gain practical knowledge and workflow understanding similar to working in a real company environment.

Course Features

- **PwC Tax Professional Program**

Earn a prestigious certification jointly offered with PwC, validating your expertise in Indian taxation and boosting your credibility in the finance domain.
