

Advanced Certification in

BEAUTY & WELLNESS

Course Introduction[★]

The **Advanced Certification in Beauty and Wellness** is a comprehensive, industry-oriented program designed to equip learners with both practical skills and professional expertise in the beauty and wellness sector.

This course covers **advanced skincare, haircare, makeup artistry, and salon management**, ensuring learners are job-ready or business-ready by the end of the program.

With a strong focus on **hands-on training, live demonstrations, and real-time practice**, learners gain the confidence to work in professional salons or start their own ventures.
